

Setting up The Daily Mile in your school

1 BEFORE YOU START

It's good to ensure that staff, children and parents know exactly what The Daily Mile is, what the benefits of The Daily Mile are, and that it's not competitive. The children always run at their own pace, often using the language of friendship to support and include each other.

2 PLAN YOUR ROUTE

Schools normally use their existing playground, school field or gym hall. They are also easily risk-assessed. Child-pleasing squiggly paths work well. If possible, make the route about 5–10 laps long. This allows the children to enjoy running as many laps as they can in the 15 minutes, without anyone appearing to be in the lead.

3 GETTING STARTED

You might decide to start with one class or one year group, then scale it up to the whole school and nursery. Many schools and nurseries have held a very successful launch event, which quickly raises the profile of The Daily Mile in their community. Some schools carry out a survey at the start and again after a few weeks.

4 HOW TO BUILD THE CHILDREN'S FITNESS

It's important not to introduce The Daily Mile as a walk. The children should be encouraged by their teacher to run and jog at their own pace, for 15 minutes. After about four weeks, all able-bodied children should be running or jogging for most or all of the way.

5 WHEN TO DO THE DAILY MILE

Try to avoid a tight timetable – it's best if the timing of The Daily Mile is as flexible as possible, with the class teacher deciding when to go out.

6 WHO DOES THE DAILY MILE?

Everyone! It's always fully inclusive, so make sure all children take part every day. Staff should support the children and can run with them or encourage them from the side. Children of determination should be supported, as appropriate, to take part.

7 HOW TO KEEP IT SLICK

Staff should make the transitions very slick – from class to outdoors and back in again, so that The Daily Mile takes no more than 15 minutes in total.

8 FINALLY, KEEP IT SIMPLE!

The Daily Mile should always be kept social and fun. The main thing is that the children get to run for 15 minutes a day, outside in the fresh air when possible, and get fit with their friends!
